

REJECT the NAB's petition 04-160

I benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available on my local AM/FM Chicagoland stations.

I pay for these services and so it is not up to the National Association of Broadcasters to dictate what I am permitted to hear.

REJECT the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I paid for and deserve.

If my local broadcast stations had any useful or relevant programming I would not have pay XM Satellite Radio \$200/year!
